Dermablend Product Line

Dermablend - Camouflage Makeup Remover

Product ID: 12369

Dermablend Remover gently removes Dermablend Corrective Cosmetics. Because Dermablend Cover creme and Leg & Body Cover creme are water-resistant, it is necessary to use a special cleanser for quick, easy removal. Dermablend Remover quickly dissolves Dermablend Corrective Cosmetics more effectively than traditional makeup removers or soaps without abrading gentle skin surfaces. Fragrance-free.

All Sales Final - No Returns or Exchanges.

Retail Price: \$18.00

Usage:

Pour a small amount of quick dissolving Remover into hands. Lightly massage onto skin using a circular motion. Remove with a damp washcloth.
