SkinCeuticals Product Line

SkinCeuticals - A.G.E. Eye Complex

Product ID: 15690

This three-dimensional treatment contains a unique combination of ingredients to dramatically improve severe signs of intrinsic aging around the eyes in mature skin. Immediately, optical diffusers improve radiance and minimize the appearance of dark circles and capillaries. Within four to twelve weeks, a complex of flavonoids and synergistic peptides strengthens blood vessel walls, improves lymphatic drainage, and eliminates hemoglobin's colored end-products to dramatically improve dark circles and puffiness. By twelve weeks and beyond, blueberry extract interrupts the formation of advanced glycation end-products (A.G.E.) and Proxylane restores water and nutrient content to the dermal epidermal junction (D.E.J.) to increase skin elasticity and thickness for dramatic improvement of wrinkles and crow's feet.

- Optical diffusers improve radiance in tired, dull eyes
- Complex of flavonoids and synergistic peptides reduces the appearance of dark circles and diminishes puffiness and under-eye bags
- Proxylane reduces wrinkles and crow's feet
- Blueberry extract helps prevent future wrinkles and crow's feet

Retail Price: \$85.00

Usage:

Apply once or twice daily under the eyes and around the brow area.

SkinCeuticals - A.G.E. Interrupter

Product ID: 15647

A.G.E. Interrupter is specifically formulated to improve the creping, thinning appearance of mature skin caused by intrinsic or internal aging processes such as glycation.

Glycation occurs when excess glucose molecules stick to collagen and elastin fibers, eventually binding them together and leading to the formation of Advanced Glycation End-products (A.G.E.). Glycated collagen and elastin fibers lose the ability to function normally, and the body cannot break them down and replace them, which leads to severe wrinkling of the skin.

A.G.E. Interrupter is a unique treatment formulated with 4% blueberry extract, 30% Proxylane™, and 0.2% phytosphingosine to help prevent the glycation process and correct severe signs of intrinsic aging in mature skin.

- Blueberry extract slows down the process of advanced glycation end-product (A.G.E.) formation, preventing the rigidification of collagen and elastin fibers
- Proxylane™ stimulates GAG synthesis, restoring water and nutrients to the dermal epidermal junction
- Phytosphingosine helps protect the skin's barrier to alleviate discomfort associated with dry, aging skin

Multi-faceted formulation containing 4% blueberry extract, 30% Proxylane™, and 0.2% phytosphingosine to prevent and correct the most visible signs of intrinsic aging

Retail Price: \$150.00

Usage:

Apply once or twice daily to face, neck, and chest.

SkinCeuticals - Acne Care System

Product ID: 15650

The SkinCeuticals Acne Care System combines pore-cleansing, acne-fighting, and complexion-refining products in a daily homecare regimen that can be used alone or in conjunction with other doctor-recommended treatments.

Optimal results depend on regular application as directed in the morning and evening regimens. Once existing blemishes are eliminated, remaining on a consistent acne-fighting regimen is the most effective way to keep skin clear and healthy.

Consult your doctor regarding the best method of treatment for your skin.

Helps cleanse pores, fight acne and refine complexion to eliminate blemishes and keep skin clear and healthy.

Kit Includes:

Clarifying Cleanser (5 oz.): Specifically formulated for acne-prone skin, SkinCeuticals Clarifying

Cleanser combines salicylic acid, an FDA-approved acne treatment, with the exfoliating powers of glycolic and mandelic acids to unclog pores and help improve the appearance of problematic skin. Clarifying Cleanser also includes smoothly rounded microbeads to gently slough off dead skin cells and cellular debris. Used in conjunction with SkinCeuticals Blemish Control Gel, this gentle cleanser treats existing whiteheads, blackheads, and other acne-related blemishes, while helping to prevent future acne breakouts.

Blemish Control Gel (1 oz.): SkinCeuticals Blemish Control Gel is a lightweight acne medication that effectively treats existing whiteheads, blackheads, and other acne-related blemishes, while helping to prevent future acne breakouts. The gel contains one percent salicylic acid, a proven acne-fighting ingredient, as well as other purifying ingredients.

Blemish Control Gel exfoliates dead skin cells, unclogs pores, and helps ensure blemishes disappear quickly without leaving skin discolorations or causing irritation. The addition of sodium hyaluronate alleviates excessive drying commonly caused by acne medications.

Clarifying Clay Masque (2 oz.): Clarifying Clay Masque is a non-drying masque that combines kaolin and bentonite, the highest quality natural earth clays, to decongest pores and lift impurities. Botanicals and minerals are added to help heal and calm the skin, while a 5% hydroxy acid blend gently exfoliates. Weekly use of Clarifying Clay Masque leaves skin feeling healthy and purified.

Retinol 0.5 (1 oz.): Retinol 0.5 contains .5% pure retinol and is enhanced with the latest stabilization and delivery technologies to provide maximum efficacy. Retinol 0.5 is recommended for more sensitive skin or to help condition skin not acclimated to retinoids as a prerequisite to SkinCeuticals Retinol 1.0.

Our retinol products help stimulate cell regeneration and build collagen to diminish the appearance of fine lines, wrinkles, and age spots from both photo- and intrinsic- aging. Additionally, they help minimize the appearance of pore size, while correcting blemishes and blotchiness often associated with problematic skin.

Retail Price: \$116.00

Usage:

AM Regimen:

Step 1 Cleanse: Gently massage a small amount of Clarifying Cleanser into a wet face and neck. Rinse with plenty of warm water.

Step 2 Correct: Apply a small amount of Blemish Control Gel to the entire affected area and rub gently until absorbed. If also used as a spot treatment, dab a small amount directly onto the blemish a few times a day.

PM Regimen:

Step 1 Cleanse: Gently massage a small amount of the Clarifying Cleanser into a wet face and neck. Rinse with plenty of warm water.

Once a week, deep cleanse with Clarifying Clay Masque-Remove makeup. Apply a thin layer of Clarifying Clay Masque and let set for 15-30 minutes (masque will not dry hard). Rinse thoroughly with warm water and pat dry.

Step 2 Correct: Apply a pea-size amount of Retinol 0.5 to thoroughly cleansed skin in the evening.

Caution: Retinol is a high potency product; please read important information included in the product insert. If skin is sensitive to retinol, begin by limiting use to once or twice a week, then gradually increase frequency to every other night, and finally once an evening as tolerated.

Alternate Retinol 0.5 use with Blemish Control Gel as needed-Apply a small amount of Blemish Control Gel to the entire affected area and rub gently until absorbed. If also used as a spot treatment, dab a small amount directly onto the blemish a few times a day.

SkinCeuticals - Advanced Body Firming Lotion

Product ID: 15656

Optimal for all skin types, this skin-firming treatment combines soy isoflavones, pure vitamin E, three nutrient-rich algae, and botanical extracts to firm, hydrate, and protect the entire body. The antioxidant and moisturizing properties counter moisture loss and elasticity while supporting the skin's regeneration process to restore healthy, buoyant, luminous skin.

- Firms, nourishes and hydrates body skin
- Collagen boosting ingredients restore elasticity
- Provides antioxidant benefits
- Supports skin regeneration process
- Ideal for all skin types
- Soy isoflavones
- Pure vitamin E
- Three nutrient-rich algae
- Botanical extracts
- Synergistic formulation

Retail Price: \$138.00

Our Price: \$124.20

Usage:

After cleansing, massage a liberal amount into desired areas. Apply once or twice daily based on individual needs. For increased effectiveness, prior to application exfoliate the skin 2-3 times

weekly with SkinCeuticals body polish

SkinCeuticals - Advanced Brightening System

Product ID: 15645

Over 30% of Americans' claim hyperpigmentation as a top skin concern: An effective, yet safe solution is imperative. This five-product regimen featuring breakthrough technologies systematically attacks hyperpigmentation through multiple modes of action to provide dramatic results, but without harmful side effects. In as few as four weeks, the SkinCeuticals Advanced Brightening System, is clinically proven to significantly lighten dark spots, brighten and even-out skin tone, minimize the appearance of fine lines and wrinkles, and help improve overall skin health.

This comprehensive system includes:

Phloretin CF (1 oz.): Phloretin CF™ represents a new class of preventive and corrective topical antioxidant treatment. After five years of extensive research, SkinCeuticals developed this patent-pending breakthrough technology combining the newly-discovered, broad-range power of phloretin with vitamin C and ferulic acid in a biodiverse formulation to divide and conquer sources of damage at every level.

Phloretin CF™, a broad-spectrum treatment, protects against not only free radicals, but the range of other reactive molecules known to cause damage and DNA mutations among the integral cell types. In addition, it corrects existing damage by stimulating the synthesis of essential proteins and fibers and accelerating cell turnover. The result - a strengthened support structure on the inside and a more youthful, firm, radiant appearance on the outside.

Due to the unique formulation of Phloretin CF, Federal Air Safety regulations indicate that orders can only ship via ground shipping and can not be made to Alaska and Hawaii

- Prevents premature signs of aging and corrects existing photodamage
- Divides and conquers the range of reactive oxygen species (ROS) throughout the skin
- Prevents cell mutation by shielding skin's DNA
- Accelerates cell turnover
- Boosts skin's support structure
- Inhibits UV-induced discolorations

Patent-pending, breakthrough antioxidant combination of 2% phloretin, 10% L-ascorbic acid, and 0.5% ferulic acid for broad-spectrum antioxidant performance

Retexturing Activator (1 oz.): Bi-functional resurfacing and replenishing serum. Activates skin's regeneration response by promoting exfoliation and cell differentiation, increasing the amino acid supply, and providing simultaneous supplemental hydration to visibly diminish surface line and transform skin into a smoother, softer, more radiant complexion.

Pigment Regulator (1 oz.): Proven as effective as 4% hydroquinone for the treatment of hyperpigmentation, Pigment Regulator is a refined and highly effective approach to full-facial skin lightening - offering a safe, well-tolerated alternative to disruptive medical applications. Pigment Regulator lightens and reduces existing hyperpigmentation, improves overall skin tone, and protects skin from future discolorations without the harsh bleaching agents.

Benefits:

- Shown to be as effective as 4% Hydroquinone.
- Diminishes existing pigmentation while preventing future dark spots.
- A safe alternative to hydroquinone based products.
- Can be used year-round without harsh side effects.
- Utilizes Kojic Acid, Emblica and exfoliants to reduce pigmentations.
- Diminishes freckles, melasma, photo damage and post acne scarring.

Retinol 0.5 (1 oz.): Retinol 0.5 contains .5% pure retinol and is enhanced with the latest stabilization and delivery technologies to provide maximum efficacy. Recommended for more sensitive skin or to help condition skin not acclimated to retinoids as a prerequisite to SkinCeuticals Retinol 1.0. This retinol product will help stimulate cell regeneration and build collagen to diminish the appearance of fine lines, wrinkles, and age spots from both photo- and intrinsic- aging. Additionally, it will help minimize the appearance of pore size, while correcting blemishes and blotchiness often associated with problematic skin.

Ultimate UV Defense SPF 30 (3 oz.): This true broad-spectrum sunblock contains 7% transparent zinc oxide (Z-Cote) to help against the damaging effects of UVA and UVB rays. Cosmetically elegant and moisturizing, Ultimate UV Defense is ideal for daily use and perfect for high altitudes.

Retail Price: \$295.00

Usage:

Phloretin CF (1 oz.): Once in the morning after cleansing, apply 4-5 drops to a dry face, neck and chest. Follow with SkinCeuticals Hydrating B5 Gel and a SkinCeuticals moisturizer and sunscreen.
Retexturing Activator (1 oz.): Twice daily, apply 4-6 drops to face, neck, and chest, or as directed by a skincare professional.

Pigment Regulator (1 oz.): Once or twice daily, apply a small amount to a dry face and other affected areas. For morning use, follow with a sunscreen and limit sun exposure.

Retinol 0.5 (1 oz.): If your skin is sensitive to retinol, begin by limiting use to once or twice a week, then gradually increase frequency to every other night, and finally once an evening as tolerated. Apply a pea-sized amount of Retinol 0.5 to thoroughly cleansed skin in the evening.

Carefully avoid the eyes and the corner of the eyes. To ensure optimal results, do not use any corrective or moisturizing products the same evening as applying this product.
Ultimate UV Defense SPF 30 (3 oz.): Apply daily to face, neck and chest, or apply liberally before sun exposure. Use before applying makeup. Reapply every two hours and after swimming, excessive perspiring, or after towel drying. For children under 6 months of age, consult a doctor.

SkinCeuticals - Antioxidant Lip Repair

Product ID: 15626

Two powerful antioxidants, vitamin E and silymarin, form an exclusive combination antioxidant therapy for the lips. This powerful treatment helps prevent premature signs of aging, while restoring moisture and smoothing the surface of the lips. Medical research proves that combination therapy provides better protection from environmental aging, helping to shield the delicate lip area from UV light as well as environmental elements such as smoke and air pollution. Special botanical emollients hydrate and heal dry, cracked lips, while an AHA-free exfoliating complex accelerates cell renewal to smooth deep lip lines for full, healthy lips.

Retail Price: \$36.00

Usage:

Once or twice daily, apply a small amount to lips and contour area.

SkinCeuticals - AOX Body Treatment

Product ID: 15659

This invigorating antioxidant body treatment protects against damaging environmental aggressors, lightly exfoliates dead skin cells, and deeply moisturizes dehydrated areas for smoother, healthier-looking skin.

Formulated with grape polyphenols, ectoin, and vitamin E, AOX Body Treatment protects skin from free radical damage associated with daily aggressors such as diet, pollution, stress, and physical exertion, while visibly improving elasticity and firmness for a more radiant appearance.

- Three powerful antioxidants combat damaging free radicals
- Lightly exfoliates dead skin cells
- Helps diminish inflammation caused by UV exposure
- Hydrates areas suffering critical moisture loss for resilient, healthy-looking skin
- Vitamin-E and purified grape polyphenols: work synergistically for enhanced protection against free radicals
- Ectoin: protects against environmental aggressors and accelerates the skin's ability to repair itself
- Flavonols derived from jasmine: limit inflammation
- Capriloyl salicylic acid: induces efficient exfoliation of dead skin cells to give skin a smoother texture
- Selective combination of proven emollients and humectants: restores proper balance of skin hydration and skin lipids

Retail Price: \$85.00

Usage:

After cleansing, massage a liberal amount into dehydrated areas of the body as needed.

SkinCeuticals - Blemish Control Gel

Product ID: 15643

SkinCeuticals Blemish Control Gel is a lightweight acne medication that effectively treats existing whiteheads, blackheads, and other acne-related blemishes, while helping to prevent future acne breakouts. The gel contains one percent salicylic acid, a proven acne-fighting ingredient, as well as other purifying ingredients.

Blemish Control Gel exfoliates dead skin cells, unclogs pores, and helps ensure blemishes disappear quickly without leaving skin discolorations or causing irritation. The addition of sodium hyaluronate alleviates excessive drying commonly caused by acne medications.

Retail Price: \$38.00

Usage:

Cleanser skin thoroughly before applying medication. Cover the entire affected area with a thin layer, as needed. Allow to dry. Because excessive drying of the skin may occur, start with nightly application. If excessive drying or peeling occurs, reduce application to every other night. Cleanse thoroughly in the morning.

SkinCeuticals - Body Polish

Product ID: 15629

Unlike conventional exfoliating scrubs, Body Polish contains unique, smooth polyethylene beads and natural waxes that intensely exfoliate dull skin cells-but gently, without damaging the skin. Brazilian marine algae nourish, moisturize, and soften skin, while botanical extracts leave your skin feeling invigorated and silky smooth.

Retail Price: \$34.00

Our Price: \$30.60

Usage:

Apply a small amount of SkinCeuticals Body Polish to wet skin using your hands or a washcloth. massage gently for approximately one minute, giving special attention to elbows, knees, and feet. Use a full shower stream to rinse away surface impurities and product residues. Towel-dry skin and apply a moisturizer of your choice.

SkinCeuticals - C + AHA

Product ID: 15609

This two-in-one antioxidant treatment works by two different mechanisms to help improve the appearance of aging skin both inside and out. Below the surface, a 15% concentration of pure L-ascorbic acid helps protect against damaging UVA/UVB rays, prevent premature signs of aging, and stimulate collagen production.

On the surface, a 10% concentration of hydroxy acids exfoliates to smooth the skin and create a more youthful appearance. C+AHA incorporates both glycolic acid and lactic acid to slough off the rough outer layer of the skin, revealing newer, youthful skin under the surface.

Retail Price: \$130.00

Usage:

Once in the morning after cleansing, apply 4-5 drops to a dry face, neck, and chest. Follow with SkinCeuticals Hydrating B5 Gel and a SkinCeuticals moisturizer and sunblock.

SkinCeuticals - Clarifying Clay Masque

Product ID: 15600

This non-drying masque combines kaolin and bentonite, the highest quality natural earth clays, to decongest pores and lift impurities. Botanicals and minerals are added to help heal and calm the skin, while a 5% hydroxy acid blend gently exfoliates. Weekly use leaves skin feeling healthy and purified.

Ideal for all skin types.

Retail Price: \$44.00

Usage:

Apply Clarifying Clay Masque on clean face. Leave on for 15-30 minutes (this mask will not dry hard). Rinse with warm water and pat dry. For best results, use once a week to help remove buildup of exfoliated skin

SkinCeuticals - Clarifying Cleanser

Product ID: 15644

SkinCeuticals Clarifying Exfoliating Cleanser with 2% Salicylic Acid works in conjunction with SkinCeuticals Blemish Control Gel to actively prevent and treat acne breakouts.

This cleanser is the first step in a treatment program to reduce the number of acne blemishes, blackheads and whiteheads to allow the skin to heal.

Retail Price: \$30.00

Usage:

Wet face, squeeze a small amount of cleanser into hands, add a few drops of water to lather, apply to face and massage gently in a circular motion. Rinse thoroughly.

If excessive drying or peeling occurs, reduce application to every other day until daily use may be

tolerated.

SkinCeuticals - Cleansing Cream

Product ID: 15602

Ideal for normal to dry skin, this light cream cleanser gently lifts away makeup and surface residue without drying the skin. Hydroxy acids gently exfoliate dead skin cells while botanical extracts such as chamomile, comfrey, yarrow, and aloe soothe and heal the skin. Ginseng is added to improve elasticity.

Retail Price: \$30.00

Usage:

Pour a small amount of Cleansing Cream into the palm of the hand. With fingertips, massage onto the skin. Rinse with warm water and wash cloth. Follow with Revitalizing Toner and moisturizer of choice.

SkinCeuticals - Daily Moisture

Product ID: 15624

High levels of pure vitamin-E (alpha tocopherol) provide antioxidant protection, while Brazilian sea algae deliver proteins, amino acids, and essential minerals to skin. Designed for normal/oily skin, this light replenisher contains Burnet, Cinnamon and Ginger-a newly discovered combination of Chinese botanical extracts that can help reduce pore size. Also contains extracts of Horsetail, Thyme, Licorice, and Nettle.

Retail Price: \$57.00

Usage:

Apply once daily to face, neck, and chest. Use after the antioxidant of your choice and before your sunscreen and makeup.

SkinCeuticals - Daily Sun Defense - SPF 20

Product ID: 15601

Optimal for daily use, this state-of-the-art, broad-spectrum sunblock contains 5% transparent zinc oxide (Z-Cote) to help protect against the damaging effects of UVA and UVB rays. This cosmetically elegant and moisturizing sunblock is ideal for all skin types and can be applied under makeup. Daily Sun Defense does not contain PABA, fragrance, or oil.

Retail Price: \$37.00

Usage:

Apply daily to face, neck and chest, or apply liberally before sun exposure. Use before applying makeup. Reapply every two hours and after swimming, excessive perspiring, or after towel drying

SkinCeuticals - Emollient

Product ID: 15607

Formulated with an exclusive selection of natural extracts and oils, this rich and restorative moisturizer is perfect for use on dry or sensitive skin. Three nutrient-rich Brazilian sea algae nourish and hydrate the skin, while oils of grape seed, rose hip, and macadamia restore and maintain moisture. Emollient is ideal for high altitudes and cold or dry climates.

Retail Price: \$57.00

Usage:

Apply once daily to face, neck and chest. Use after the antioxidant of your choice and before your sunscreen and makeup

SkinCeuticals - Epidermal Repair

Product ID: 15671

Epidermal Repair is specifically formulated for skin compromised by cosmetic procedures ranging from microdermabrasion to laser resurfacing, as well as skin sensitized by retinoid therapy or harsh environmental aggressors.

This therapeutic treatment combines beta glucan and centella asiatica to provide a protective veil for traumatized skin while facilitating the biological processes necessary to accelerate restoration of the skin's barrier.

Epidermal Repair is clinically shown to greatly diminish redness and soothe irritated skin while the cosmetically elegant texture encourages daily use, especially during the critical healing period following rejuvenating procedures.

- Beta glucan (beta -1, 3- glucan) protects skin and facilitates barrier restoration through stimulation of tissue granulation, collagen deposition, and accelerated cell renewal.
- Titrated extract of centella asiatica stimulates types I and III collagen to accelerate healing of the skin's barrier and prevent scarring.
- Sodium palmitoyl proline and nymphaea alba flower extract soothe skin and help reduce inflammation.
- Protects denuded skin and helps prevent infection.
- Accelerates restoration of the skin's protective barrier
- Unprecedented 0.5% concentration of pure, water-soluble beta glucan
- Titrated extract of centella asiatica
- Anti-irritant ingredients - sodium palmitoyl proline and nymphaea alba flower extract
- Light-weight, film-forming base

Retail Price: \$68.00

Our Price: \$61.20

Usage:

Once daily, or as needed, massage a small amount evenly into affected area.

SkinCeuticals - Equalizing Toner

Product ID: 15603

Optimal for combination or oily skin, Equalizing Toner helps balance, refresh, and restore the skin's protective pH mantle while removing residue. Hydroxy acids help exfoliate dead skin cells while botanical extracts such as witch hazel, rosemary, aloe, and chamomile soften, soothe, and tone the skin. This fragrance-free and oil-free toner contains anti-bacterial, anti-fungal, and anti-inflammatory properties.

Retail Price: \$29.00

Usage:

After cleansing with Simply Clean, spray Equalizing Toner onto cotton ball and smooth over face, neck and chest. Follow with moisturizer of choice

SkinCeuticals - Eye Balm

Product ID: 15628

A synergistic combination of highly effective, yet gentle phytochemicals rehabilitates mature, aging skin around the delicate eye area. This rich, corrective emollient treatment is specifically formulated to counter the three prime signs of aging-- moisture loss, collagen breakdown, and free radical damage. A natural anti-inflammatory is added to reduce the appearance of under-eye puffiness, while a soothing agent derived from the chamomile plant calms irritated skin.

Retail Price: \$78.00

Usage:

Once or twice daily, apply under the eyes on the brow area avoiding eyelids. Use after a SkinCeuticals antioxidant. Follow with a SkinCeuticals sunblock in the morning.

SkinCeuticals - Eye Cream

Product ID: 15617

Powerful ingredients work synergistically in this firming eye treatment to help correct early signs of aging. Eye Cream is formulated with a special complex to combat symptoms such as puffiness, sagging skin, and dark circles - all specific to the delicate eye area. The first line of defense against environmentally induced skin damage supports collagen synthesis and accelerates the skin's ability

to repair damage resulting from UV light, pollutants, and harmful chemicals.

Retail Price: \$68.00

Usage:

Once daily using fingertips, apply a small amount of Eye Cream underneath the eyes and to the outside areas of eye. Avoid upper eyelid. May be used along browbone, avoiding eyebrows, follow with a moisturizer of choice

SkinCeuticals - Eye Gel AOX+

Product ID: 15618

This anti-oxidant treatment contains 5% L-ascorbic acid to help protect against damaging UVA/UVB rays, prevent premature signs of aging, and stimulate collagen production around the delicate eye area.

Eye Gel will help decrease the appearance of puffiness and dark circles, and restore a smoother, more radiant appearance.

Formulated with AOX+ Advanced Antioxidant Technology, this gentle, fast-absorbing serum combines Ferulic Acid with 5% pure Vitamin C to enhance antioxidant performance.

USAGE RECOMMENDATIONS:

- crow's feet
- delicate or sensitive skin around eye area
- photoaged or photodamaged skin
- erythema
- poor skin elasticity
- hyperpigmentation
- beginning 30 days before and/or 7-10 days after invasive or non-invasive rejuvenating procedures

Retail Price: \$60.00

Usage:

Once daily, using fingertips apply a thin layer (1-2 drops) underneath the eyes and on the outside areas of the eye. Avoid upper eyelid. May be used along brow bone, avoiding eyebrows. Follow with a moisturizer of choice

SkinCeuticals - Eye Renewal Gel

Product ID: 15604

Formulated for the delicate skin around the eye area, Eye Gel neutralizes free radicals, defends against environmental damage, and helps prevent premature signs of aging. Now formulated with AOX+ advanced antioxidant technology, this gentle and fast-absorbing serum combines ferulic acid with 5% pure vitamin C to enhance antioxidant performance.

- AOX+ advanced antioxidant technology - combines ferulic acid with L-ascorbic acid to enhance antioxidant performance
- Helps reduce the appearance of fine lines and wrinkles, neutralizes free radicals, defends against environmental damage, and stimulates collagen synthesis
- Using Duke-patented vitamin C technology, delivers 5% L-ascorbic acid to the skin
- Once absorbed, can't be washed or rubbed off, remaining effective for a minimum of 72 hours - an excellent addition to sunscreens
- Ideal for the delicate skin around the eye area

Complimentary Products:

C E Ferulic
Serum 20 AOX+
C + AHA
Serum 15 AOX+
Serum 10 AOX+
Eye Balm Eye Cream
Phyto Corrective Gel
Eye Renewal Gel
Hydrating B5 Gel
Daily Sun Defense 20
Ultimate UV Defense 30

Physical UV Defense 30

Retail Price: \$36.00

Usage:

At night, after cleansing and toning, apply a small amount of Eye Renewal Gel AOX+ around the brow bone and the sides of the eyes where crows feet develop.

Do not apply to the eyelid or near the corners of your eyes. You may notice little rolls of exfoliated skin about 20 minutes after application. Massage these away with your fingertips.

SkinCeuticals - Face Cream

Product ID: 15627

Specifically formulated to combat collagen breakdown and moisture loss in mature skin. This light, rehabilitative cream provides powerful firming and replenishes moisture with emollients - perfect for skin depleted by the ravages of time. Signs of aging in mature skin are the result of three factors - moisture loss, collagen breakdown, and free radical damage. Face Cream contains targeted botanical ingredients specifically formulated to counter these advanced skin care concerns.

Retail Price: \$140.00

Usage:

Once or twice daily apply to the face, neck, and chest. Use after a SkinCeuticals antioxidant. Follow with a SkinCeuticals sunblock in the morning.

SkinCeuticals - Foaming Cleanser

Product ID: 15625

This lightweight cleanser for all skin types deep-cleans pores, removes excess oils, and clears surface impurities leaving the skin feeling completely refreshed. Mild and non-drying this fragrance-free cleanser contains gentle, non-allergenic ingredients to prevent irritation. Perfect for removing makeup and preparing the skin for SkinCeuticals advanced antioxidant treatments.

Retail Price: \$30.00

Usage:

Dispense a small amount of SkinCeuticals Foaming Cleanser into the palm of your hand. Apply evenly to face and massage gently for approximately 10 seconds. Rinse with warm water. Follow with toner and moisturizer of your choice.

SkinCeuticals - Gentle Cleanser

Product ID: 15630

This mild cream cleanser removes impurities and excess oil without drying the skin. Gentle enough to be used several times daily, this non-irritating cleanser conditions, soothes, and calms sensitive or traumatized skin.

Retail Price: \$30.00

Usage:

Twice daily apply a small amount to the face and neck, remove with water.

SkinCeuticals - Hydrating B5 Masque

Product ID: 15692

Inspired by the award-winning Hydrating B5 Gel, this highly concentrated masque infuses dehydrated and stressed skin with optimal amounts of hyaluronic acid and vitamin B5 to replenish depleted moisture levels.

Enhanced with a unique complex containing constituents of the skin's natural moisturizing factor (NMF), this weekly hydration treatment re-establishes the water balance critical for maintaining skin metabolic functions at optimal levels. Hydrating B5 Masque plumps moisture-deprived skin to restore a healthy, youthful appearance.

- Contains high concentrations of hyaluronic acid and vitamin B5
- Optimizes moisture infusion in targeted areas

- Improves skin's tissue repair function
- Leaves skin supple and smooth
- High concentration of hyaluronic acid
- Two forms of vitamin B5
- Non-oily aqueous hydrator

Retail Price: \$52.00

Usage:

Use at night, once or twice weekly. After cleansing and toning, apply a generous, even layer to the entire face and neck. Allow to penetrate for 10-15 minutes and gently massage any excess product into the skin.

SkinCeuticals - Intense Line Defense

Product ID: 15606

Delivered to the skin in a hyaluronic acid base, this potent nighttime line-minimizing treatment hydrates as it aggressively exfoliates dead skin cells to dramatically improve the overall appearance of the skin. Containing a 12% hydroxy acid blend, this oil-free gel is the most effective weapon in combating fine lines and wrinkles. Daily application provides deep exfoliation.

Retail Price: \$59.00

Usage:

At night, after cleansing and toning, using fingertips or a cotton swab, apply Intense Line Defense over deeper lines and patches of rough skin. Follow with moisturizer of choice.

SkinCeuticals - Physical UV Defense SPF 30

Product ID: 15631

Providing true broad spectrum (UVA/UVB) protection, this sunblock contains 5% transparent zinc-oxide and 10% titanium dioxide, two non-irritating active ingredients safe for use on all skin types.

Retail Price: \$37.00

Usage:

Apply daily to face, neck and chest, or apply liberally before sun exposure. Use before applying makeup. Reapply every two hours and after swimming, excessive perspiring, or after towel drying. For children under 6 months of age, consult a doctor.

SkinCeuticals - Phyto +

Product ID: 15612

This botanical gel for hyperpigmentation is an advanced lightening formula combining four active ingredients to diminish discoloration and improve the overall health of the skin. Kojic acid and arbutin, natural alternatives to hydroquinone, work synergistically to help break up hyperpigmentation, while cucumber and thyme contain anti-inflammatory and antiseptic properties to soothe red, irritated skin. Active ingredients are delivered in a hyaluronic acid base to hydrate as they help heal, calm, and improve the appearance of the skin. Phyto+ can also be used to help reduce erythema and to maintain results following invasive cosmetic procedures.

Retail Price: \$78.00

Usage:

Twice daily, using fingertips, apply a small amount to discolored areas. May be applied to face, neck, arms, upper chest and back of hands. Follow with a sunblock and/or moisturizer.

SkinCeuticals - Phyto Corrective Gel

Product ID: 15608

Optimal for sensitive or problematic skin, this light oil-free gel contains botanical extracts with anti-inflammatory and antiseptic properties to help soothe and calm irritated skin. Phyto Corrective gel also contains natural alternatives to hydroquinone and other chemical skin lighteners to help diminish the appearance of brown spots and promote a clear, fresh-looking

complexion.

Retail Price: \$58.00

Usage:

Twice daily, using fingertips, apply a small amount to age and sun spots. May be applied to face, neck, arms, upper chest and back of hands. For optimal results, apply over Serum or under Skin Firming Cream. Follow with a sunblock and/or moisturizer of choice.

SkinCeuticals - Primacy Hydra Balm

Product ID: 15639

Originally designed as a healing ointment, Hydra Balm is an ideal hydrator for sensitive or severely dry skin. Contains Petrolatum a barrier ingredients to protects the skin against moisture loss. Other hydrating ingredients include Squalane, Aloe, and Rosa Canina Fruit Oil

Retail Price: \$30.00

Usage:

Avoid contact with the eyes. Store in a cool, dark place. Liberally apply a layer to the entire body after bathing or to extra dry areas such as elbows, hands, or feet.

SkinCeuticals - Renew Overnight - Dry

Product ID: 15614

Ideal for normal or dry skin, this nighttime skin-refining moisturizer contains a 5% hydroxy acid blend to gently exfoliate the skin for a healthier appearance. Renew Overnight Dry helps to restore a radiant complexion and diminish the appearance of fine lines, wrinkles, and other signs of premature aging.

Retail Price: \$57.00

Usage:

At night, after cleansing and toning, apply a small amount of Renew Overnight to entire face, avoiding eye area.

SkinCeuticals - Renew Overnight - Oily

Product ID: 15613

Ideal for combination or oily skin, this nighttime skin-refining moisturizer diminishes the appearance of fine lines and wrinkles by hydrating and exfoliating the skin. Special extracts help replenish moisture, while a 5% hydroxy acid blend gently exfoliates to help restore a healthy, radiant complexion.

Retail Price: \$57.00

Usage:

At night, after cleansing and toning, apply a small amount of Renew Overnight to entire face, avoiding eye area

SkinCeuticals - Retexturing Activator

Product ID: 15691

Bi-functional resurfacing and replenishing serum. Activates skin's regeneration response by promoting exfoliation and cell differentiation, increasing the amino acid supply, and providing simultaneous supplemental hydration to visibly diminish surface line and transform skin into a smoother, softer, more radiant complexion.

Retail Price: \$70.00

Usage:

Twice daily, apply 4-6 drops to face, neck, and chest, or as directed by a skincare professional.

**SkinCeuticals - Retinol 0.5 Refining Night Cream**

Product ID: 15637

Retinol 0.5 contains .5% pure retinol and is enhanced with the latest stabilization and delivery technologies to provide maximum efficacy. Recommended for more sensitive skin or to help condition skin not acclimated to retinoids as a prerequisite to SkinCeuticals Retinol 1.0. This retinol product will help stimulate cell regeneration and build collagen to diminish the appearance of fine lines, wrinkles, and age spots from both photo- and intrinsic- aging. Additionally, it will help minimize the appearance of pore size, while correcting blemishes and blotchiness often associated with problematic skin.

Retail Price: \$52.00

Usage:

If your skin is sensitive to retinol, begin by limiting use to once or twice a week, then gradually increase frequency to every other night, and finally once an evening as tolerated. Apply a pea-sized amount of Retinol 0.5 to thoroughly cleansed skin in the evening. Carefully avoid the eyes and the corner of the eyes. To ensure optimal results, do not use any corrective or moisturizing products the same evening as applying this product.

**SkinCeuticals - Revitalizing Toner**

Product ID: 15615

This alcohol-free and fragrance-free toner helps balance, refresh, and restore the skin's protective pH mantle while removing residue. Revitalizing Toner soothes and moisturizes while hydroxy acids help exfoliate dead skin cells.

Retail Price: \$29.00

Usage:

After cleansing with Delicate Cleanser, spray Revitalizing Toner onto cotton ball and smooth over face, neck and chest. Follow with a moisturizer of choice

**SkinCeuticals - Sans Soleil Moisturizing Sunless Tanner**

Product ID: 15632

Sans Soleil contains a unique new DHA enhancer, Erythrulose. The combination of DHA and Erythrulose helps to ensure a more even, streakless tan without causing increased dryness. Most self-tanning products use the tanning agent DHA. When used alone, DHA can cause dryness and create an uneven, orange, unnatural looking tan. Sans Soleil contains erythrulose, a unique DHA enhancer. The combination of DHA and erythrulose helps ensure a more even, streakless, longer lasting tan without increasing dryness.

Retail Price: \$34.00

Usage:

After exfoliating with SkinCeuticals Body Polish, smooth a liberal amount over skin as you would body lotion. Distribute evenly by massaging in circular, vertical and horizontal strokes. Use sparingly on elbows, knees, ankles and feet where thicker skin may result in deeper tan. Blend along hairline using a slightly moist cloth or cotton ball. Wash hands and nails thoroughly. Let dry for approximately 15 minutes. Best self-tanning performance is achieved within six months of opening this product.

SkinCeuticals - Serum 10 AOX+

Product ID: 15619

Formulated with 10% L-ascorbic acid, this anti-oxidant treatment helps protect against damaging UVA/UVB rays, prevent premature signs of aging, and stimulate collagen production. Serum 10 is lightweight, fast-absorbing, and optimal for sensitive and acneic skin.á

SkinCeuticals - Serum 20 AOX+

Product ID: 15611

Now Serum 20 comes with Ferulic Acid making this serum more effective at combating the aging process while tightening and firming the skin changing the very matrix and texture. Formulated at the precise concentration proven to deliver maximum amounts of vitamin C to the skin, Serum 20 contains 20% L-ascorbic acid to help protect against damaging UVA/UVB rays, prevent premature signs of aging, and stimulate collagen production. This antioxidant treatment is lightweight, fast-absorbing, and provides optimal levels of anti-aging prevention. Ideal for normal to oily skin.

Retail Price: \$116.00

Usage:

Once daily using fingertips, apply 4-5 drops of Serum 20 AOX+ to face, neck, and chest. Follow with Hydrating B5 Gel for increased penetrating abilities and a moisturizer of choice.

SkinCeuticals - Simply Clean

Product ID: 15616

Ideal for combination skin or oily skin, this skin-refining gel cleanser combines an exfoliating hydroxy acid blend with botanical extracts to gently remove impurities, excess oils, and makeup. Also contains botanical extracts of chamomile, comfrey, and aloe to help soothe and heal the skin.

Retail Price: \$30.00

Usage:

Form a lather with a small amount of Simply Clean and water in the palm of hand. Apply cleanser to face and massage for ten seconds. Rinse with cool water. Follow with Equalizing Toner and moisturizer of choice.

SkinCeuticals - Skin Firming Cream

Product ID: 15621

This powerful treatment was designed to correct early environmental skin damage. Skin Firming Cream contains ingredients that target environmental aggressors, repairing photodamage while firming the skin.

This first line of defense supports collagen synthesis and accelerates the skin's ability to repair damage resulting from UV light, pollutants, and harmful chemicals.

Retail Price: \$108.00

Usage:

Once or twice daily apply to face, neck and chest. Use after a SkinCeuticals antioxidant. Follow with a SkinCeuticals sunblock in the morning.

SkinCeuticals - Skin System II Defend

Product ID: 15719

Skin System II - Defend is recommended for use by anyone to help restore a flawless, youthful appearance and to protect skin from further environmental damage.

The system combines pore cleansing, anti-aging, hydrating, and photoprotective products in a daily homecare regimen that can be used alone or in conjunction with other professionally recommended treatments. Optimal results depend on regular application as directed in the morning and evening regimens.

Skin System II - Defend is recommended for use by anyone to help restore a flawless, youthful appearance and to protect skin from further environmental damage.

Kit Includes:

Serum 15 AOX+ (1 oz.): Serum 15 has changed in formulation and name. The new name is Serum 15 AOX+ combining Vitamin C with Ferulic Acid for increased performance and penetration.

Formulated with 15% L-ascorbic acid, this anti-oxidant treatment helps protect against damaging UVA/UVB rays, prevent premature signs of aging, and stimulate collagen production. Serum 15 is lightweight, fast-absorbing, and ideal for all skin types.

Hydrating B5 Gel (30 ml.): Enriched with Vitamin B5, which is know to help with tissue repair, Hydrating B5 Gel replenishes nutrients the skin needs to feel smooth and appear younger.

This moisture-enhancing gel contains hyaluronic acid, the body's natural hydrator, to bind moisture to the skin. Hydrating B5 Gel is recommended for use with Vitamin C treatments and will help maximize the benefits of your daily moisturizer.

Daily Sun Defense SPF 20 (90 ml.): Optimal for daily use, this state-of-the-art, broad-spectrum sunblock contains 5% transparent zinc oxide (Z-Cote) to help protect against the damaging effects of UVA and UVB rays. This cosmetically elegant and moisturizing sunblock is ideal for all skin types and can be applied under makeup. Daily Sun Defense does not contain PABA, fragrance, or oil.

Foaming Cleanser (5 oz.): This lightweight cleanser for all skin types deep-cleans pores, removes excess oils, and clears surface impurities leaving the skin feeling completely refreshed. Mild and non-drying this fragrance-free cleanser contains gentle, non-allergenic ingredients to prevent irritation. Perfect for removing makeup and preparing the skin for SkinCeuticals advanced antioxidant treatments.
